

4th IEEE International Conference on Computing, Communication & Security (ICCCS-2019)

Rome, 10th-12th October

How to reach the conference venue

The conference is located at the **Faculty of Engineering, University of Rome Tor Vergata, Via Cambridge, 00133 Rome Italy**. If you travel with public transportation (line 20), you will get off from the bus at the Cambridge stop. We also use this bus stop as starting point for providing the instructions on how to reach the conference rooms and the registration desk.

You have then to proceed to the Faculty of Engineering, which is shown below:

We describe 3 paths to reach the registration desk (and the conference rooms). The paths are also displayed in the following Google Map:
